

Product Change Notification

Product Group HVM: Vishay Siliconix (HVM) / Aug. 11 2008/ PCN-SIL-0112008 Rev 1

EOL for Part Numbers with Special Tests

Dear Customer,

In April 2007 Vishay acquired the High Voltage Mosfet products technology from International Rectifier. As part of this acquisition agreement Vishay must transfer manufacturing from IR factories to Vishay's factories and subcontractor factories. It will not be possible for Vishay to continue to ship certain products after the transfer. For this reason, these products are being discontinued.

The EOL policy for these products will be in accordance with Vishay's corporate guidelines. *This provides for notice of product discontinuance to customers and approved supplier agents, allowing a minimum of 6 months from the notice to place final orders, and 12 months from the notice for final shipments. The approved supplier agents shall, where applicable, notify their affected customers of the product discontinuance.*

TIME SCHEDULE

Effective date for placing last purchases orders: **31 August, 2008**
Effective date for final shipments: **31 January, 2009**
